

This is an index to the files, which are located in the Indiana Room, which is located in the Noblesville Branch of the Hamilton East Public Library. These are surname files and may contain information on multiple families with the same surname who may or may not connect as branches of the same family. In the index, See refers to files, which contain information on that surname. See also refers to additional files that may contain additional information on that surname. To see the file for a family please visit the Indiana Room or contact our Indiana Room Specialists at 770-3206 or email at [indrm@hepl.lib.in.us](mailto:indrm@hepl.lib.in.us)
